

Meeting agendas:

December- College Engineering round-table (Large Univ, small college, in-state vs. out-of-state, HBCU, IVY league , etc.)

January- Resume preparation and everything to know about Financial Aid (scholarships, FAFSA)

February- Mock Interview session, sponsored by Eli Lilly

March- Now that you've been accepted; a checklist of things to do from now to move-in day.

April - Site visit / volunteer. First-hand view of what Engineers can produce, and how we can help our communities.
